Lagos, Nigeria | [nwanorohfavoured@gmail.com](mailto:nwanorohfavoured@gmail.com) | +234 913 623 0385

Date of Birth: 30th September

## SUMMARY

Motivated and detail-oriented Computer Science graduate with hands-on experience in frontend development. Proficient in modern web technologies such as HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, and Vue.js, with a proven ability to build responsive, user-friendly applications. Eager to deepen knowledge through advanced studies in computer science and contribute to innovative projects. Strong teamwork skills, with a track record of collaborating in cross-functional environments to deliver high-quality solutions on time. Seeking to further develop expertise in areas like web and mobile app development while contributing to cutting-edge academic research.

## EDUCATIONAL HISTORY

Bells University Of Technology  
BTech – Computer Science
